

ANTHONY FASCIANO

Partner

Anthony Fasciano, an Oklahoma University graduate, is a notable figure in the construction industry. He was recognized in the ENR top 40 under 40 in 2021 and sat on the AGC Board of Colorado from 2022-2023. With a reputation for delivering consistent results to clients, Anthony leads the company, focusing on leadership, results, and client satisfaction. His extensive experience spans various roles in construction, including business development, regional management, special projects, construction leadership, preconstruction, and management of complex Rocky Mountain Region projects. Anthony is driven by family, building high-performing teams, and effective problem solving, emphasizing open communication, collaboration, and relationships for achieving results.
