

# CHAD HARRIS

Partner

Chad is a Colorado native and Colorado State University alum. He brings extensive expertise to the Mountain states construction industry. Chad prioritizes people over processes and fosters a culture of empowerment, discipline, and transparent collaboration. With a diverse career spanning Preconstruction, on-site Superintendent roles, Project Management, and executive oversight, Chads passion lies in realizing clients' visions. He plays a vital role in supporting clients, design teams, and operations teams through all project phases, emphasizing talent development and high performing team formation.
